THE FG-WIDE GARAGE SALE EXTRAVAGANZA IS SCHEDULED!

All residents are encouraged to participate in October 4, 5 & 6! OKC permits are required for each individual sale and can be purchased online through www.okc.gov or by calling 405-297-2606 during business hours. The cost is \$7.00.

The HOA has purchased large reusable identifying banners for all three FG entrances. However, participating residents are still strongly encouraged to advertise their individual sales, as well.

HOA DUES STATUS ALERT

HOA dues payments on several delinquent properties have been received and for that, many thanks! As you budget for the Christmas season, don't forget to set aside funds for the 2025 HOA dues. They can be paid early if that is more convenient for you.

LIENS HAVE BEEN FILED AGAINST THE MOST DELINQUENT PROPERTIES.

COME TO THE HOA MEETINGS!

C'MON, SPEAK UP! WE KNOW YOU'RE OUT THERE!

GIVE CRABGRASS AN INCH AND IT'LL TAKE A YARD!

During the summer, most FG residents did a great job of maintaining their lawns, even through the hottest days. To those who didn't keep their yards up, you know who you are. And so does everybody else, because that's the way yards work. They are highly visible.

Since the start of the school year, we have heard complaints of buses speeding on our streets or being poorly driven. In such cases, note the school bus number and the time and report it to the Schools Transportation Department at 405-376-2630 or by email at

TransportationDept@mustangps.org.

VROOM AND BOOM!

Another complaint that has surfaced is that of the noise caused by high volume of passing auto sound systems and vehicle exhaust systems. Please be respectful of your neighbors and friends in Fountain Grass. Remember to slow your engines and turn down your sound systems. A quiet Fountain Grass benefits us all.

ON A RELATED NOTE: *As of the time of this newsletter, the City of Oklahoma City has not advised the date on which Halloween will be observed by city residents, but historically it has designated October 31 as the appropriate day, even if it’s a weeknight. This year, October 31 occurs on a Thursday.*
